

About the Band

SKULLSUIT is a five-piece heavy rock and groove metal band from The Netherlands, built around heavy riffs, catchy grooves and high-energy live shows.

Born in the winter of 2011, the band has spent more than fifteen years forging its distinctive sound: riffs, catchy melodies, driven by pounding drums and powerful vocals ranging from clean singing to raw roars.

The 13-track debut album *MOMENTUM* was released in 2015, followed by the singles *Now You Bleed In Me* and *Ultimate Violence* in 2022. Since 2025, SKULLSUIT has returned with renewed energy, new shows and new material. Tracks such as *Suit Up, Atomic Lights, Lord and Master* and *I'm Losing It All* showcase what SKULLSUIT stands for today:

Stronger. Heavier. Groovier.

And ready for the next chapter...

📰 Press & Media

- *Rockportaal* on *Momentum*: "The band clearly shows what they're capable of. And with the promise that no live show is the same as the last, and with a 110% commitment, this is a band you need to see live."
